

## **ACCOMODATION FOR DELEGATES ATTENDING AERO INDIA SEMINAR**

1. The delegates attending Aero India Seminar hosted by GTRE, Bengaluru from 12 to 14 Feb 17 are required to make their own arrangements for stay. However, as hosts, we desire that the delegates / guests are comfortable during their stay. In view of this, an effort was initiated to identify hotels located at the proximity of the seminar venue capable of accommodating the esteemed guests.
2. The list of hotels so identified are appended below. It is pertinent to mention that these hotels are only indicative and the guests / delegates are at liberty to choose the hotel of their choice for stay. Cognizance is also to be taken of the fact that no rooms have been blocked by the Seminar Management Committee for the guests in any of the hotels. Since there is no commitment either on the part of the Seminar Management Committee or the hotels listed below, there is no obligation on either of the parties.
3. This effort has been initiated only as a goodwill gesture to facilitate the guests with a comfortable stay and avoid the trouble of browsing for a suitable hotel as also mitigating traveling effort in the midst of Bengaluru traffic.
4. Guests are requested to book the hotels well on time as the hotels are reported to be booked during February, being a peak season for conferences, tourism etc probably view conducive climatic conditions.
